Wellbeing and engagement strategies

Wedge Park Primary School implements a School Wide Positive Behaviour Support Framework (PBS) as a means to improve consistency of behaviour management and acknowledgement across the school. Our Social and Emotional Learning (SEL) program is supported by the Resilience, Rights and Respectful Relationships curriculum. This program was a continued focus during remote learning, so students had the opportunity to reflect on their Social and Emotional Wellbeing throughout the remote learning lesson. Targeted lessons ensured that students were able to reflect on their own wellbeing and also put strategies in place when needed.

Wedge Park Primary School places a high value on student welfare and connectedness and has invested resources into implementing a strong values program and a whole school approach to behaviour. This is supported by a Primary Wellbeing Officer, a School Psychologist and 2 x 0.4 Student Wellbeing Officer.

In addition to this, the school accessed Student Support Service Officers when necessary to provide additional support for individual students and their families. Wedge Park Primary School provides a comprehensive learning program, Behaviour Management Approach and Code of Conduct, to ensure we employ a proactive and consistent approach to student management and the values that underpin our social interactions, expectations and behaviours. Wedge Park Primary school has many strategic programs in place designed to consolidate our core values.

A 'Start Up' program at the beginning of the year ensures our students start the year in a positive way and staff refer to this consistently throughout the school year. Maintaining our whole school approach to behaviour management and the ongoing reinforcement of school values, ensures a consistent message is understood by the whole school community.

Comprehensive and confidential welfare documentation is maintained through an online Student Management Tool, and students are referred to appropriate support services as needed. The school Student Wellbeing Officer coordinates programs for students who require additional support. A Speech Therapy Assistant program for students who have been assessed and identified as requiring support, is also offered. Support for new staff through a detailed induction program, outlines common expectations, programs, policies and procedures.
