

## Bring Your Own Device Checklist

To assist parents in preparing their child's iPad for school we have developed the following checklist.

Please complete the checklist with your child.

### Completed and returned the following notes:

- Acceptable Use
- Insurance Agreement

### Received and read the following notes:

- Device Guidelines

### Installed the following applications:

- |                                 |                          |                  |                          |
|---------------------------------|--------------------------|------------------|--------------------------|
| • Explain Everything            | <input type="checkbox"/> | Doodle Buddy     | <input type="checkbox"/> |
| • Book Creator                  | <input type="checkbox"/> | Google Drive     | <input type="checkbox"/> |
| • Puppet Pals 2: School Edition | <input type="checkbox"/> | Google Docs      | <input type="checkbox"/> |
| • Keynote                       | <input type="checkbox"/> | Google Slides    | <input type="checkbox"/> |
| • Pages                         | <input type="checkbox"/> | Google Sheets    | <input type="checkbox"/> |
| • Numbers                       | <input type="checkbox"/> | A+ Spelling Test | <input type="checkbox"/> |
| • iMovie                        | <input type="checkbox"/> | Dropbox          | <input type="checkbox"/> |
| • Garageband                    | <input type="checkbox"/> |                  |                          |
| • Ideament                      | <input type="checkbox"/> |                  |                          |

### Device Preparation:

- Installed a screen protector
- Placed the iPad in a protective case
- Established a charging routine
- Removed iTunes payment details
- Setup the restrictions within settings
- Removed all social media applications

Once the above checklist is completed your child's device is ready for school. Should you have any questions or concerns please contact your child's classroom teacher.

Thank you,

Mr. Brian Slatter
